

CORNWALL COUNCIL
HARBOUR MASTER'S NOTICE

Notice No. 4 of 2021

PORT OF TRURO

Pontoon layout at Malpas Marina

Notice is hereby given that there is a new pontoon layout at Malpas Marina in the entrance to the Tresillian River.

Mariners are advised to keep a sharp lookout in the vicinity of the new pontoons mentioned above and should pass at a safe distance and speed.

The pontoons have now been commissioned and the available depth of water alongside varies between 0.3 to 1.1m at Chart Datum. Notices displaying available depth of water at each pontoon section are in place.

The pontoons will be lit by two fixed red lights in a vertical line at each extended end of the marina.
