

HARBOUR MASTERS NOTICE NOTICE 10 of 2022

Dredging Operation between Lighthouse Pier, Albert Pier and North Arm.

A programme of dredging works is due to be carried out between the dates of 1st – 5th August inclusive. The MV Wyre Sand will be dredging in the area shown below, highlighted by the red box. She will load her hopper and then head out to the Spoil Ground offshore to unload the dredged material. Over the working period she will be back and forth between dredging area and spoil ground.

It is requested that you pass her with maximum safe distance until well past and clear, she will be Restricted in the Ability to Manoeuvre and show appropriate signals. She will monitor VHF Channel 12.
