

# ST IVES HARBOUR

## Harbour Masters Notice

2022 – 05

## SPEED LIMIT

All vessels operating within harbour limits must abide by the below byelaw as interpreted by the Harbour Master.

For the avoidance of doubt this is considered to be at a speed of no more than 5knots when south of New Pier Buoy. The maximum speed within the anchorage is 5knots with no-wake. Outside of these areas the above byelaw must be considered by the Master of the vessel.

*All vessels operating within harbour limits must not **'operate, navigate, drive, propel, or sail any vessel, ship, boat or craft of any kind in a dangerous manner or without due care and attention or without reasonable consideration for other persons, ships, boats or craft within limits.'** – byelaw 9b.*
