TRURO TOWN DEAL

PUBLIC ENGAGEMENT DAY

Have your say on projects set to transform Truro

Members of the local community are invited to view proposals and share their views on four key projects being developed through Truro Town Deal.

Come and have your say on plans for:

- A lifting bridge between Newham and Boscawen Park
- Improvements to Lemon Quay
- Improvements to Truro Harbour
- Improved pedestrian and cycle routes across the city

The vision for Truro Town Deal is to create a 'Connected River City' by revitalising the city and unlocking investment.

These projects are part funded by the Government's Town Deal programme and delivered by Cornwall Council in partnership with the Truro Town Deal Board.

Join us on Wednesday 22 November in person at Truro Methodist Church, or online to view the plans and give feedback.
