HARBOUR MASTER'S NOTICE

Notice No. 1 of 2024

PORT OF PENRYN AND PRINCE OF WALES PIER

Capture of Seagulls for Research Purposes

Notice is hereby given of that a small number of approved students will be humanely netting seagulls for research purposes.

The birds will be fitted with GPS tags and leg rings then released as part of a research project into seagull behaviour. The researchers will be clearly identified and are following appropriate national guidance.

Members of the public should not be alarmed but please keep clear of the researchers at work especially when the birds are released.

This notice will be self-cancelling on completion of the research project.
