

BUDE HARBOUR

Local Notice to Mariners - 1 of 2024 Bude Harbour and Canal dredging works update

Following on from the upper canal basin, the programmed dredging of the Lower Basin is scheduled to commence on/or around 11th March 2024. Dredging operations are expected to take 7 to 10 days to complete.

Please keep clear of machinery allowing the contractors to work safely. During this time no unauthorised boat movements will be allowed.

For questions on these works, please contact: contracting@cormacltd.co.uk
