

BUDE HARBOUR

Local Notice to Mariners - 2 of 2024

Bude Harbour dredging works

Harbour users are advised, the annual dredging of the Sea lock will commence the week starting 22nd April 2024 and continue throughout that week.

During this period there will be heavy plant and machinery operating in and around the harbour and lock chamber with lorry access via Breakwater Road. The public are required to keep clear.

Paul Vincent
Harbour Master
