

NEWQUAY HARBOUR HARBOUR MASTER'S NOTICE Notice No. 11 of 2024

Lifting Operations

On Friday 1st November 2024 crane operations are due to take place on South Quay. On this day South Quay will be closed to anyone not directly involved with the lifting of the boats.

Those people involved with lifting the boats onto the quay must wear a hard hat, a hi-vis vest and suitable shoes (preferably steel toe capped).

Storage Agreement Forms must be completed and returned to the Harbour Office in advance of the lifting operations.

Prior to commencing lifting operations fishers are to ensure their gear is stored as per the agreed terms & conditions. Equipment not complying with the terms & conditions may be removed.
