

# PENZANCE HARBOUR HARBOUR MASTERS NOTICE Notice No. 6 of 2024

## Disposal of 'Karina Olsen'.

On Monday 9<sup>th</sup> December work will commence to remove the former Motor Fishing Vessel and Liveaboard 'Karina Olsen'. Counter pollution equipment will be deployed and where possible items removed from the vessel will be recycled.

These works will require closure of the 'North Arm' and relocation of cargo operations for scheduled service to the Isles of Scilly to 'South Pier' for the duration of the demolition, likely to be up to 7 days. Please see the attached site plan.

Non-scheduled services, and other operational requirements, will be facilitated subject to berth availability.

Designated walkways may be closed or changed during the works.
