

ST IVES HARBOUR

Harbour Masters Notice

2025-02

Passenger Transfer Operations

Favourable conditions

1. Passenger transfer operations can only take place under agreement with the Harbour Master.
2. Passenger transfer operations **MUST** only take place in favourable conditions where there are **NO** breaking waves in the vicinity of the Passenger Transfer Vessel.
3. Where there is question over the suitability of the conditions it is the Coxswains responsibility to err on the side of caution.
4. The safety of vessel, passengers and crew **MUST ALWAYS** be the main priority of the Coxswain and vessel owner.

Ben Lawlor

Harbour Master

16 April 2025
