

BUDE HARBOUR

Harbour Master's Notice – 2 of 2025

Sea Lock annual Dredging

28th April 2025

The annual dredging and clearance of sand from the Sea Lock will start week commencing the 28th April to return the sea lock to operational status. Prior to this there may be some small scale reprofiling of the Navigable channel and approaches.

22nd April 2025
