

NEWQUAY HARBOUR HARBOUR MASTER'S NOTICE Notice No. 04 of 2026

Lifting Operations

On Wednesday 1st April crane operations are due to take place on South Quay between 14.00 and 20.00. On this day South Quay will be closed to anyone not directly involved with the lifting of the boats from the quay into the harbour.

Those people involved with lifting the boats from the quay must wear a hard hat, a hi-vis vest and suitable shoes (preferably steel toe capped).

Prior to commencing lifting operations fishers are to ensure their gear is stored as per the agreed terms & conditions. Equipment not complying with the terms & conditions may be removed.
