

ST IVES HARBOUR

HARBOUR MASTER'S NOTICE

Notice No. 7 of 2026

Temporary Disruption to Access at Rampers

Please be advised that there will be a temporary disruption to access at Rampers due to operational works taking place on:

- Tuesday 16th June 2026
- Wednesday 17th June 2026

During this period, plant machinery will be operating on site. The works will include:

- Relocation of rocks from the passenger transfer side of Rampers to the opposite side, and
- Sand relocation to deepen the channel alongside Rampers

Safety Requirements:

All operators must ensure that:

- Passengers are appropriately escorted at all times,
- Passengers are briefed not to enter cordoned-off areas, and
- All personnel follow the instructions and requests of the Harbour Team and plant operators without exception

These measures are essential to ensure the safety of all harbour users while works are being carried out.

We appreciate your cooperation and patience during these necessary operations.

If you have any questions, please contact the Harbour Office.
