

BUDE HARBOUR HARBOUR MASTER'S NOTICE Notice No. 2 of 2026

Bude Harbour sea lock operational

Harbour users are advised. Following the recent rainfall and the bank repairs to the middle pound being completed, water levels have returned to normal operating levels. The lock has successfully been flushed. Therefore, this LNTM replaces LNTM 1 of 2026 and the sea lock returns to operational status.

Available dates (conditions allowing) can be found on the below website.
